4-H News

Tuesday, October 17, at 2.00 Mrs. Farmer's Class had their second 4-H meeting. We saw slides on 4-H Share-The-Fun. We got 4-H projects books to work on. Share-The-Fun for the 6th Graders will be on Wednesday, November 15, 1978 at 3:3; P.M. The recreation leaders which are Serene Ferguson and Stuart Cheatham lead us in a game. At the end of our meeting Mr. Sweet left some 4-H Share-The Fun papers to fill out if we wanted to be in the Share-The Fun. The slips should be turned in to Debra Christian, the vice president.

A Sermon

A SERMON
By Franklin G. Lyon
322 E. Jarrettsville Rd.
Forest Hiill, Md.

I am fully aware that my subject is an unpopular one and that the majority of people don't want to be reminded of **Sin and Judgement**. Both are as real as death and God warns that his spirit will not strive with man always and when God withdraws his spirit from either an individual or a nation it will never return and they are doomed forever. He withdrew his spirit from the world and the flood came and destroyed them; he withdrew his spirit from Sodam and it rained fire and destroyed them all. If some great monster were loose in the land and it were to just kill one girl and drag her body into a thicket to devour it, the whole country would turn out to try to kill it, but the great monster SIN can lay hold of men and women on every side without concern being showed about it. The Bible says that the light of the body is the eye and if the eye is evil then the whole body is full of darkness and I don't think there has ever been a time in the life of this nation that there was so much evil to turn people away from God. It is sad to say that a lot of parents, by their own lives are helping to expose their children and leading them into the clutches of that awful monster SIN. I wish I could make a movie, complete with sound to be shown around the world. I would show King Saul as he realized that the spirit of the Lord had departed forever. I would record the anguished cries of the thousands as they saw they were doomed. I would show the awful agony of the old king as his body was smitten with worms and the awful scene when it started to rain fire on Sodom and the awful look that the king had when he saw what was happening. I would show what happened to Queen Jesebell and show the dogs tearing her flesh from her bones and as they devoured her body in a very short time so she was not allowed to have a human burial.

I am writing this to show that **God's Judgement** comes to people sometimes in this life. I am writing to call attention to Abraham's plea for Sodom and how Abraham kept lowering the number of just persons to be found if God would spare the city. I am wondering how many good servants of God that their prayers are staying the hand of JUDGEMENT from falling upon the nation. Think of the people who just a hair breadth from Eternity and only the humble prayers of someone is staying the hand of judgement for them hoping and praying that this message will fill a place in some; we hear so many preachers dwell on God's love which is but we must remember that God is also a God of judgement and once his spirit departs it is too late to repent.

It is a fact I am sinking fast; this just might be my last sermon.
